

## Invitation to the copenparty in Linz/Austria

Rost Inc. Austria in cooperation with Shark of The Future Boys are going to organise a copenparty in Linz/Austria on **22.July 1989** from 10 am to 11 pm.

The exact place: Pfarrheim St.Leopold, Aubergstrasse

Entrance-fee: **50.- öS**

There will also be a Buffet where ya can buy some food and drinks, but ya won't get any alcohol.

How to reach the party place:

If ya come by train you will have to leave the train-station ("Linz Hbf") at the main entrance. Then take the tram in front of you (Line number 3) to the terminal (Endstation: Remise Urfahr - Bergbahnhof). Don't forget to pay for the ticket outside the tram (9.- öS) !

After that you've got to look at the map on the backside to find our party-place.

It would be very nice if you could take your computer with you (or at least some Hardware), because we haven't got so many computers and it will be easier to copy the newest software for ya.

The party is for: **C-64, AMIGA, Atari ST, PC**

If you want to stay over night you will have to sleep in our tents. But if ya have a tent yourself, just take it with ya. - or call us at: **0732-52618**
