Spread this paper to all your contacts

Yeah, it's party-time !!! It takes place in siegelsbach near Bad Rappennau !!! It starts on saturday, the 3rd of february at two p.m. and ends on sunday at five p.m.. Cool musix will be heard there , and every kind of videos will be shown !!! There will be a big demo-competition and the prices look like this: first place: one sounddigitizer  
 second place: you on a 30\*45 cm photo with all members of TITAN  
 third place: two originals  
 and the rest: TITAN as a swap partner

There are some really clean shit houses and some rooms where you can sleep a little.....

There is a little PUB in the hall where the party takes place where you can get something to eat or drink like PIZZA, TOASTS, RAVIOLI, COLA, FANTA and some harder things (hehe) This PUB will be leaded by me, OZONE ! That's another reason to eat as much as possible bcaus I am really a chiefcooker. You have to take the train to Bad Rappennau and from there you have to take a bus to Siegelsbach. I think there won't be any problems with the buses and if yes I and another guy will wait for you at Bad Rappennau and guide you to the party !!!!! If you want to sleep (I don't think so) you have to take along a sleepbag !!!

Any kind of LAMERS will be thrown out of the party, so you don't have to worry about them ! Everyone will get a sticker at the entrance where his name and his crew stands !! Bring some snow-safe clothes along bcaus we want to make a big snowballfight. (DISASTER)
